**Subject:** September 11th

---

Dear Colleague,

Almost two years have passed since the terrorist attacks against our nation. As we approach the second anniversary of that tragic day, the thoughts and prayers of Americans everywhere turn to the victims and their families.

Accordingly, I would like to invite you to a special ceremony to be held in front of the State House on Thursday, September 11th. The commemoration will begin promptly at 8:30 a.m., and is expected to last 20 minutes.

Please join me as Massachusetts remembers all those who were lost, and comes together in support of their friends and loved ones.

Sincerely,

Governor Mitt Romney
